Name: **Graduation Year:**

HEB Concentration Declaration Form, Fall 2017

Use this form to plan all of the courses you will take to fulfill graduation requirements. You must include your HEB requirement courses--13 for non-honors, and 15 for honors. You may use placeholder names (e.g., "JRS" for your Junior Research Seminar, or "Behavior" for a course to fulfill your Behavior distribution requirement). You may want to download the HEB Requirements Worksheet for guidance. Print out whatever you've got (doesn't need to be perfect!) and bring it to a meeting with Drs. Alex or Hooven.
