Notes for student and faculty sponsor:

- Supervised Reading is for topics **not** covered by regular courses of instruction and **must** be directed by a member of the Department of Organismic and Evolutionary Biology.
- OEB 91r and OEB 99r cannot be taken concurrently with the same director.
- **The faculty director is responsible for grading OEB 91r.** The grade will be based on participation and a **written report to be submitted to the director** by *NOON on the LAST DAY OF CLASSES*: **Tuesday, December 3, 2019** (Fall Semester) or **Wednesday, April 29, 2020** (Spring Semester).
- ***The format of the report is at the discretion of the faculty director.***
- **Submit your paper as a .pdf document via email directly to your Faculty Director, and *cc that email to James Poolner (jp@mcb.harvard.edu).***
- ***Please make copies or a scan of this registration form for your own records and for your director***

PLEASE RETURN THIS FORM ***WITH SIGNATURE*** BY STUDY CARD DAY:
Fall Semester: **Monday, September 9, 2019**
Spring Semester: **Friday, January 31, 2020**
