

Research in the Life Sciences T-Pass Eligibility Form

NOTE: This form is for students working in an off-campus research laboratory (e.g. MGH, McLean, but *not* at the HMS quad) who are *not* enrolled in a research course (e.g. MCB 91r, OEB 99r, Neuro 98r, etc) this semester.

If you *are* enrolled in a research course (and your laboratory is located off campus) you are automatically eligible, and do not need to fill out this form, as your course's registration form will require your PI's signature.
